

GOVERNMENT OF THE DISTRICT OF COLUMBIA
DEPARTMENT OF HEALTH

Medical Assistance Program
Transmittal No: 03- 30

Senior Deputy Director
for Health Care Finance

TO: All District of Columbia Durable Medical Equipment Providers
FROM:  Wanda R. Tucker
Interim Senior Deputy Director
Medical Assistance Administration

DATE: AUG - 4 2003

SUBJECT: Transition of D.C. Specific Local Codes to HIPAA Compliant Codes

The Medical Assistance Administration (MAA) is required to achieve compliance with the Health Insurance Portability and Accountability Act's (HIPAA) mandated transaction standards, code sets and identifiers by October 16, 2003.

MAA had devised many local codes for the District's Durable Medical Equipment providers to accommodate special needs and circumstances; however, the HIPAA transactions, code sets and identifiers rules do not permit the use of local code values after October 16, 2003. MAA has cross-walked all active Durable Medical Equipment local codes to standard codes.

To assist the District's Medicaid Durable Medical Equipment providers with the transition to standard codes, MAA has enclosed an Attachment that provides a crosswalk between the current local codes and standard codes and a new Durable Medical Equipment provider billing manual. The proposed transition from local codes to standard codes will not change the current reimbursement payment(s) for the District Medicaid Durable Medical Equipment providers.

Please note that, effective August 31, 2003 MAA will discontinue the use of current local codes for the Durable Medical Equipment providers. Additionally, MAA has adopted Medicare's 2003 ostomy codes, fee schedules, and monthly allowable quantities, as such; all existing ostomy codes will be closed with the same effective date. Medicaid claims submitted by the District of Columbia Durable Medical Equipment providers for services rendered on or after September 1, 2003 should be submitted using only the standard codes, including Medicare's 2003 ostomy codes.

If you have any questions or need additional information regarding this transmittal, please call MAA's Fiscal Agent, ACS State Healthcare's Provider Relations Inquiry Desk at (866) 752-9233.
